

ASPENGROVE SCHOOL PARENT- STUDENT HANDBOOK AGREEMENT JK – Grade 3

At Aspengrove School we believe in assisting each individual student to attain success. A partnership between the school staff, the student and the parents working together is the best formula to achieve success.

To attain optimal learning conditions, we are committed to establishing a safe, nurturing environment. Each member of the Aspengrove community has the right to feel safe, included and respected for who (s)he is as an individual and to expect encouragement to be the best (s)he can be.

All members of the Aspengrove community should have a clear understanding of the guidelines and expectations for the smooth day-to-day operation of the school. To achieve this understanding, all members of the Aspengrove community are expected to read and be familiar with the contents of the Parent-Student Handbook and agree to abide by the expectations.
